

Rustic Angel Interiors - Curtains Price Guide

We make our curtains with 3 different headings – pencil pleat, double pleat (which is a more contemporary version of the triple/pinch pleat heading) and eyelet headings. Pick the fabric heading you require and you will find a table detailing an all inclusive price with either our standard cream sateen lining or blackout lining (which will be especially useful in children’s bedrooms). The price includes your choice of fabric, our standard lining or blackout lining made up in the heading required. Our eyelet curtains come as standard with chrome eyelets. You will need to measure your window and look at the figure above your chosen width and drop.

It is worth remembering that eyelet headed curtains take much less fabric than pencil pleat or double pleat.

2743mm	£235	£352	£471	£587	£699

It's vitally important that you measure your window very carefully to ensure your curtains or blinds fit correctly. If you are in any doubt, please check your measurements again. By supplying these measurements to Rustic Angels you take full responsibility for the finished size of your curtains or blinds.

This is a price guide only – all enquiries will receive a written estimate. These 3 headings are our standard headings – if you require a different heading we are very happy to assist or maybe you want a pair of curtains or roman blind made in your own fabric –no problem! Please call the office on 020 8239 1134 to discuss details.
